Capability	Author	Module	Status	-	
IT Environment	Authoring	1		Color Key	
Technical Project Management Asset Management	Stephen Dougall Suresh Tamminiedi			Draft Received, still working Ready for Review	
Change Management	Elton Tucker		2/20 Review	Reviewed	
Infrastructure	Elton Tucker		2/20 Review	Version 2 Received	
Application Development	Chris Cooper-Bland		2/27 Neview	Completed	
Governance	Maya Moore			completed	
Testing Methods, Tools, and Techniques	Andres Hurtado			Count	80
Knowledge Management	Alistair Herriott			Assigned	53
Decision Support	Jay Gore				
Platforms and Frameworks	Suresh Tamminiedi				
Design Skils	Authoring				
	Chris Cooper-Bland				
Requirements Modeling	Sagar Chitchula - Reviewer				
Architecture Description	Sean Gordon		9/14 Review		
Decomposition and Reuse	Declan Bright		3/13 Review		
Design Methodologies and Processes	Sean Gordon		9/14 Review		
Design Patterns and Styles	Danut Prisacaru				
Design Analysis and Testing	Gurpreet Singh				
Traceability Throughout the Lifecycle	Sagar Chitchula				
Views & Viewpoints	Chris Cooper-Bland				
The Whole Systems Design	Sean Gordon		3/23 Review		
HD	Authoring				
Managing the Culture	Dan Fain				
Customer Relations	Rich Vijay				
Leadership and Management	Dan Fain				
Peer Interaction					
Collaboration and Negotiation	Sagar Chitchula - Reviewer	1	1		
Presentation Skills	Dan Fain				
Writing Skills	Dan Fain				
Quality Attributes	Authoring	•			
Balancing and Optimizing Quality Attributes	Alistair Herriott				
· · · · · · · · · · · · · · · · · · ·					
Manageability, Maintainability, Supportability, Extensibility, and Flexibility					
Monitoring and Management	Alberto Boczar		10-Apr		
Performance, Reliability, Availability, Scalability	Danut Prisacaru		10-Apr		
Security					
Usability, Localization, Accessibility, Personalization/Customizability	Milan Mulji				
Packaging, Delivery, Post Deployment					
BTS	Authoring				
Business Fundamentals	Scott Whitmire	1			
Strategy Development and Rationalization	Chris Cooper-Bland				
Industry Analysis	Maya Moore				
	Maya Moore				
Business Valuation	Alexandre Nardi - Reviewer	Sent			
Investment Prioritization and Planning	Alexandre Nardi				
Requirements Discovery and Constraints Analysis	Maya Moore				
Compliance	Maya Moore				
Architecture Methodologies & Frameworks	Declan O'Brien				
Risk Management	Paul Preiss				
Software	Authoring				
Software Architecture Development Methodologies and Processes	Sean Gordon				
Software Architecture Tools	Sean Gordon				
Software Engineering for Architects	Shane McGarry				
Services, Workflow and Messaging					
Advanced Quality Attributes					
Advanced Stakeholder Management					
Software Architecture Patterns	Sumit Gupta/Shane McGarry				
Technologies, Platforms & Frameworks	Paul Preiss				
Data/Information/Knowledge Management
